Professional Summary

Frontend Developer with 1+ years of experience building scalable web applications using React.js, Next.js, Angular, and Tailwind CSS. Experienced in frontend development, RESTful API integration, performance optimization, responsive design, and backend integration using NestJS and ASP.NET. Passionate about building high-performance, user-friendly applications in Agile development environments.

Technical Skills

Frontend: React.js, Next.js, Angular, Redux, Tailwind CSS, Bootstrap, SCSS, Material UI, Framer Motion

Backend: NestJS, ASP.NET

Database: PostgreSQL, MongoDB, MySQL, Oracle

Languages: JavaScript, TypeScript, Python, C#

Tools: Git, GitHub, Postman, Vercel, VS Code

Soft Skills: Teamwork, Communication, Adaptability, Problem Solving

Professional Experience

Connect Auz – Junior Developer | Full-time

Aug 2025 – Present

- Developed responsive and scalable frontend modules using Angular, Bootstrap, and SCSS.
- Built reusable UI components and improved cross-device compatibility and user experience.
- Collaborated with team members to deliver modern and maintainable frontend solutions.

PI Alpha Lab – Frontend Developer (React.js) | Part-time

Dec 2023 – Nov 2024

- Developed responsive interfaces and reusable React.js components for client projects.
- Integrated REST APIs and optimized frontend performance for better user experience.
- Worked in a remote collaborative environment and consistently delivered project requirements.

Genex Infosys Ltd – Training & Internship

Sep 2023 – Dec 2023

- Gained hands-on experience in software development and frontend engineering.
- Worked on practical development tasks and enhanced technical and teamwork skills.

Featured Projects

Dream Group of Companies | Next.js | NestJS | PostgreSQL | Tailwind CSS (Client Work) – [Live demo](#)

- Developed and deployed a full-featured e-commerce website for a client, ensuring a smooth online shopping experience with modern UI/UX, secure authentication, and seller-buyer functionality.

E-commerce Platform | MERN Stack - [GitHub](#) | [Live demo](#)

- Built a full-featured e-commerce platform with authentication, an admin dashboard, seller management, and payment integration.
- Implemented responsive UI, advanced filtering, and optimized user shopping experience.

Green Busket | Next.js | NestJS | PostgreSQL | Tailwind CSS – [GitHub](#) | [Live demo](#)

- Built an e-commerce site with Next.js and Tailwind CSS for buying daily essentials and fresh products.

FoodHub | Next.js | NestJS | PostgreSQL | Tailwind CSS – [GitHub](#) | [Live demo](#)

- Built a restaurant site with Next.js and Tailwind CSS for buying daily essentials and fresh products.

Nature Lease – Marketplace Platform | Next.js | NestJS | TypeScript - [GitHub](#) | [Live demo](#)

- Developed a dynamic marketplace with role-based access and modern responsive design.
- Built landing pages and product listing systems for agricultural products and land listings.

Blood Donation & Healthcare Platform | ASP.NET | Next.js

- Developed Admin, Donor, and Receiver modules for efficient blood donation coordination.
- Created responsive dashboards and user-friendly interfaces using Tailwind CSS.

School Management System | Next.js | NestJS

- Developed frontend dashboard and management modules for a scalable school management system.

- Implemented responsive layouts and integrated APIs for smooth user interaction.

Education

American International University-Bangladesh (AIUB)

Dec 2023

Bachelor of Science in Computer Science and Engineering | CGPA: 3.76

Competitive Programming & Problem Solving

- Solved 200+ Data Structures and Algorithms problems on LeetCode and other online platforms.
- Strong understanding of arrays, recursion, trees, graphs, and dynamic programming concepts.

Publications & Research

Journal Article - [Link](#)

"Geospatial Dataset on Deforestation and Urban Sprawl in Dhaka, Bangladesh: A Resource for Environmental Analysis"
– Submitted to Data in Brief (Elsevier).

Conference Paper - [Link](#)

"Skin Cancer Classification Using Data Efficient Image Transformer" – Presented at ETMDIT 2024, MIT Academy of Engineering, Pune, India.

Certifications

- Programming Foundations with JavaScript, HTML and CSS – Coursera (Duke University) - [Link](#)
